Meeting Minutes

1. Meeting Details
   - Meeting Title: Checking each everyone's progress
     - Finish touches to drafts
     - Brainstorming the prototype

   Time: 18:30

   Date: 24 July 2026

   Location/Platform: Microsoft Teams

   Chairperson: Zane

   Minute taker: Amahle Ndlovu

2. Attendees
   - Present: Siyabonga, Sandiswa, Zane, Njabulo and Amahle
   - Apologies: Ayabonga
3. Agenda Items
   - Checking Prototype
   - Group Member
   - Diagrams

4. Discussion & Decisions

Agenda Item 1: Checking Prototype

- Discussed the colors to align with the organization's branding.
- Discussed the layout and assigned Sandiswa and Amahle to work on the prototype.

Agenda Item 2: Group Member

- A group member (Ayabonga) was quiet and not communicating with the team.
- Amahle and Zane spoke to Ayabonga about his work ethic. Later, everything was resolved, he apologized for his actions and began contributing to the group by sharing his ideas and thoughts.

Agenda Item 3: Diagrams

- Reviewed several diagrams that were designed and made a few changes based on the client's feedback. Our client had provided us with specific requirements.

5. Action Items

- Sandiswa and Amahle started working on the prototype to present to client before submission
- Continue monitoring Ayabonga's participation and ensure he remains engaged in group discussions
- Confirm with the client that the diagram changes meet their expectations

6. Next Meeting
    - Date: 27 July 2026
    - Time: 11:30am
    - Location: (Physical) Emeris
